

Growing Together: Love and Limits

Thursday, February 4, 2010

Presenter: Douglas Tynan, Ph. D.

**Sponsored by
North Shore School District 112
and
STAR NET Region II**

Children do not come with instruction manuals and parents often feel lost about how to deal with common everyday behavior problems. This two hour evening training will review why young children often misbehave and give parents proven strategies to both prevent behavior problems and how to respond when behavior difficulties occur.

**Pre-registration is required
There is no cost to attend this training.**

**Location: Green Bay School
1936 Green Bay Road
Highland Park, IL**

**Check-in: 6:30 pm – 7:00 pm
Workshop Hours: 7:00 pm – 9:00 pm**

This STAR NET sponsored workshop will provide useful information and strategies to Family Members, Birth through Kindergarten Educators, Related Service Personnel and Administrators.

Priority registration will be given to family members of young children with IEPs and IFSPs as well as parents from North Shore School District 112; professionals are encouraged to register and will be enrolled as space permits.

Note: Child care is not available at this workshop. Parents of children with IEPs or IFSPs ages Birth through Kindergarten may apply in advance for a Family Fellowship from STAR NET to offset travel and child care costs associated with this training:
