

And The Winner Is . . .

You have just won \$25,000.00 on a game show. The money must be spent within twenty-four hours. It cannot be saved or invested. How will you spend your money?

On one side of the page itemize (describe what you bought) and on the opposite side of the page show the cost (don't forget tax!). When you are finished, your purchases plus tax for each should equal no more than \$25,000.00.
