

# Chain Reaction

## Or

# One Thing Leads To Another

Elaborate on a theme which you find to be important in your life. This vignette is a free-association writing in which you choose a word that represents something (a theme) about which you feel strongly. The writing continues on with a listing of any word or phrase which comes to mind, and then another and so on, in a chain reaction.

Work out at least a string of a dozen or more responses to your theme word. Place them creatively on your finished page.

Example:

## IGNORANCE

“Never build a wall unless you know what you are walling in. . . and what you are walling out.”

Truth

**No one is born prejudiced. . .**

Assumptions      **Grudges**      Holocaust

*Is there a “right way???”*

Is there only one way?
