Instructions for Accessing the My Stop Mobile App

• Download the app onto your smartphone
  • Launch the App Store on your iPhone or Google Play Store for Android phones
  • Search for “Versatrans My Stop” by Tyler Technologies, Inc
  • Install app

• Launch the app from your home screen named Versatrans My Stop

• Select the “Tap to select a school district” button
  • This brings up a “Closest Districts” list
  • If you do not find your school, select the “All Districts” button at the bottom
Instructions for Accessing the My Stop Mobile App

• Enter your username and password to log in
  • Login credentials are determined by the school district – contact your transportation department for details
  • Once logged in, you can select the “Setup” button at the top right and then select “Change Password” to modify your login credentials. Usernames cannot be changed.

• The main screen of the app will display a map of the district
  • You will see a yellow arrow on the screen that indicates where your student’s bus currently is if there is a planned route for the current time
  • If you do not see an arrow there will be a message that states “no active routes found”.

Instructions for Accessing the My Stop Mobile App

- This means that the student’s route is not on the road at this time or that you have selected a student who does not receive school transportation.
- To swap between siblings without logging out, tap the student’s name at the top left to bring up a list of all related students.
